## Why Phil?

John DeBona did this month's "Why Phil?" – and I just love these stories – it makes me proud to support Phil!

Here are John's thoughts:

***I support Phil Weiser because he stood up for Colorado families like mine when predatory colleges like College America left us drowning in debt. Thanks to his leadership and his commitment to justice, we finally had someone fighting on our behalf. On top of that, Phil is approachable and listens—whether it's answering questions at local events or showing up in our communities, he proves time and time again that he is the best candidate to serve the State of Colorado.***

## **One of the biggest things you can do for Phil is to become a delegate to the caucuses**

You need to be a registered Democrat to do this – and I know some of you guard your independent affiliation closely – you can either register briefly and then go back to independent after the primary next year – but I understand if many of you would rather not do this ...

BUT FOR THOSE WHO ARE ABLE ... it's time to commit to caucus with Phil! Caucuses are where we show the strength of our movement – and we need every supporter in the room.

Next year's caucuses will be held between March 3 and March 7, 2026, kicking off Colorado's nominating process. Delegates elected at these neighborhood meetings move on to county and district assemblies, and ultimately to the state assembly – where Democrats plan to have as many as 1,500 delegates.

Your commitment matters. By pledging to caucus, sharing with friends and neighbors, and showing up together, we can prove Phil's strength across Colorado and build momentum heading into the state assembly and beyond.

## Phil is coming to Ft Collins on Oct 8

Attorney General Phil Weiser is coming to Fort Collins on Wednesday, October 8th, for a public event focused on our community and Colorado's future. As our state's Attorney General, Phil has delivered results for families across Colorado – protecting consumers, fighting the opioid epidemic, defending our freedoms, and ensuring fairness under the law.

Now, as he runs to be the “People’s Governor,” Phil is committed to listening to Coloradans, bringing communities together, and putting forward solutions that meet the challenges of affordability, housing, protecting our land, air, and water, public safety, and opportunity for every Coloradan.

This event will bring together Fort Collins voices and energy to highlight Phil’s priorities, hear from the community, and kick start the conversation about how we can shape a stronger Colorado together.

Date & Time: Wednesday, October 8th, 3:00 – 4:15 PM

Location: Avogadro's Number, 605 S Mason St, Fort Collins, CO 80524
